V mojimalici je možen prikaz odjave prvi dan.

The screenshot shows the SAOP web interface for a user named 'mitja.zivko@gmail.com'. The main content is a calendar for February 2023. Each day's card displays the meal type 'DOPOLDANSKA MALICA', the status (e.g., 'Prijavljeno'), and the menu name 'OSNOVNI MENI'. The card for Monday, February 13th, is highlighted with a red box, and the status 'Odjava prvi dan' is also highlighted. Navigation buttons like 'Odjavi dan', 'Prijava dan', and 'Izberi meni' are visible for each day. The footer shows 'mojaMALICA Javna ustanova - Šola' and the version '2023.2.0.3'.

Če želimo, da se na moji malici prikaže odjava prvi dan moramo v nastavitvah na zavihku »mojaMALICA« izbrati kljukico »Prikaz odjave 1.dan«.

The screenshot shows the settings window for 'mojaMALICA'. The window title is 'Saop Obračun storitev - sprememba - Javna ustanova - Šola'. The 'Nastavitve' section is active. Under 'Korišćeni obroki', there is a list of meals with checkboxes: 'Zajtrk' (checked), 'Dop. malica' (checked), 'Kosilo' (checked), 'Pop. malica' (unchecked), and 'Večerja' (checked). The 'Prikaz odjave 1. dan' checkbox is checked and highlighted with a red box. Other settings include 'Naziv organizacije: Testna srednja šola', 'ePošta organizacije: mitja.zivko@saop.si', and 'Web povezava na jedilnik: https://cdev.saop.si/mmNavodila/JEDILNIK.htm'. The footer shows 'Skrbnik: 001' and buttons for 'Opusti' and 'Potrdi'.
