

# Prikaz naziva storitve na kuhinjskem pultu

V tem prispevku

Zadnja sprememba 12/06/2025 8:54 am CEST | Objavljeno 26/05/2025

Na kuhinjskem pultu smo dodali prikaz naziva storitve. S tem smo pridobili, da se poleg tega, da delimo obrok kosilo vidi tudi naziv storitve npr. "Kosilo 1.-5. razred", "Kosilo 6.-9. razred", "Kosilo zaposleni", itd.

The screenshot shows a software window titled 'Saop Obračun storitev - Javna ustanova - Šola' with the sub-tittle 'Evidentiranje korističenih (prevzeti) storitev'. The date 'Ponedeljek, 26.05.2025' is at the top right. The main area is a form for a meal service. It includes fields for 'Mesto obrokov:' (Meal location), 'Obrok: **KOSILO**', 'Št. kartice' (Card number), 'Dijak' (Student), 'Opomba' (Note: Pay attention! Diet without nuts.), and a large text area for meal details. On the left, there's a list of service categories: Skupina 1A, Storitev Kosilo 1.-5. razred, Meni OSNOVNI MENI, Dieta Brez oreščkov, and Koriščeno VPISANO. At the bottom are buttons for 'Pregled' (View), 'Zapri' (Close), 'Opusti' (Cancel), and 'Potrdi' (Confirm).

Naziv storitve je viden na drugem prikazu. Različne prikaze na kuhinjskem pultu se menuje s klikanjem na »lupo« v zgornjem desnem kotu.

This screenshot is identical to the one above, showing the same software interface and meal service details. A cursor arrow is positioned over the top-right corner of the main content area, which is where the 'lupo' icon is located in the original image.
